CASE# CIV NO. 04-209  
-SIR

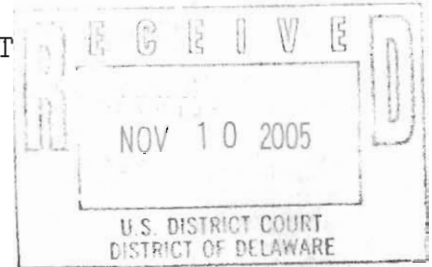

I William F, Davis III on, or around about the day of 4-25-05 submitted a motion to amend. That displayed a few flaws. I am asking the Court for a chance to submit a new motion. Pertaining to the first submission and its flaws. As well as the original issue of lack of information. I also have a concern of why the previous motion was not responded to.

Your quick response would be greatly appreciated.

Sincerely  
William F, Davis III
